Reference: July Quarterly Report (4/1/00-6/30/00)  
FEC letter 2/13/2001

Dear Ms. Sugarman;

I have been asked to respond to your letter dated February 13, 2001, copy enclosed.

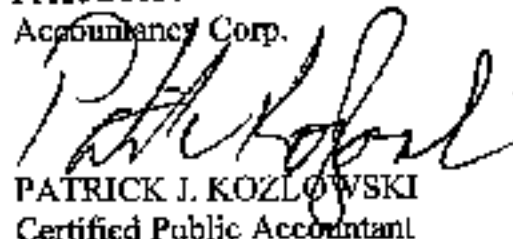

We are reviewing the report in question to determine the missing Schedule B information. An appropriate amendment will be filed.

We have reviewed the contribution in question and find that the committee erroneously accepted a contribution in excess of the applicable limits. We have requested and received a redesignation of the contribution from the contributor, copy attached. We will include the redesignated contribution information with our next regularly filed report.

We are reviewing the procedures in place at the time of the contribution. Apparently there has been some error in the software due to "Y2K" problems.

Should you have any questions, please call me.

Sincerely,  
PATRICK J. KOZLOWSKI
